

HARI PRASATH R

SENIOR ANALYST

Musiri, Trichy | mkrhari@gmail.com | +91 7904153617 | [Linkedin - MkrHari](#)

Analyst with 2.3 years of experience in providing data-driven insights, seeking a position at a forward-thinking IT firm where I can apply my skills in data analytics and reporting to solve complex problems for clients. I am eager to contribute to innovative projects and help drive informed decision-making.

KEY ACHIEVEMENTS

- Key Contributor, GSPC Project** – Played a pivotal role in successfully managing and completing a high volume of files with precision and efficiency.
- International Exposure** – Participated in a student exchange program at Universiti Malaysia Perlis (UniMAP) for one month, gaining cross-cultural learning experience.
- Leadership in Rotaract** – Held multiple leadership positions, including Charter Secretary and Club President, and have been serving at the district level for two consecutive years, continuing as the Rotaract District Trainer.

PROFESSIONAL EXPERIENCE

Senior Analyst - Objectways Technologies, Coimbatore May 2024 - Present

- As a QC Analyst, ensured 99% data accuracy through meticulous validation, data matching, and quality control checks.
- Collaborated with teams to uphold high data quality standards, improving efficiency by 30% in meeting project deadlines. As an Upwork Team Coordinator, coordinated with international clients and managed tasks to collect files in 33 different languages, leading to a 25% improvement in turnaround time.
- Maintained 100% client satisfaction by ensuring high-quality deliverables and effective communication across diverse regions.
- Contributed to AI Model Evaluation, training chatbots to effectively access websites, identifying model errors, and recommending improvements that enhanced bot performance and accuracy.
